Trading update and Notice of Results

Paris: 2 June 2014

eServGlobal (AIM:ESG & ASX:ESV), the provider of end-to-end mobile financial services to emerging markets, is pleased to provide the following trading update ahead of the release of its half-year results for the six month period ended 30 April 2014 (“H1 FY2014”).

Following the return to full year profitability in FY2013, the Company is pleased to announce that, as stated at the AGM in March 2014, the Company anticipates announcing a positive EBTIDA within its core business for H1 FY2014. These unaudited results follow continued momentum for its domestic mobile money services, including several new customer wins and expansion within the existing customer base.

As previously communicated, the HomeSend joint venture with MasterCard and BICS closed on 3 April 2014, and will result in a “one-off” gain on sale before tax of between AUD\$33.0-34.0 million.

The audited results for H1 FY2014 will be published on 30 June 2014.

The management will be hosting a presentation for analysts on the day of results at 11am, at the offices of Newgate Threadneedle: Sky Light City Tower, 50 Basinghall Street, London, EC2V 5DE.

Analysts who wish to attend the presentation should register their interest with Jasper Randall, contactable at j.randall@newgatethreadneedle.com or 020 7653 9845.

A copy of the presentation will be made available on the Company’s website on the same day.
