Dear Andrew,

eServGlobal Limited: Confirmation of securities issued under Retail Offer

eServGlobal Limited provides the following details in respect to the retail component of the ANREO and placement announced on 1 October 2018:

- The issue date for the fully paid ordinary shares is 24 October 2018
- The number of fully paid ordinary shares that will be issued on 24 October 2018 is 19,724,520.
- An amendment is required to the Appendix 3B released on 27 September 2018 because the size of the Retail Offer is 78,158 fully paid ordinary shares less than originally calculated due to the rounding applied at the individual holder level and the exclusion of certain foreign shareholders. In accordance with usual practice in the UK, rather than underwriting the shortfall, the company placed the entirety of the Retail Offer, as calculated at the time of the placement, being 19,724,520 shares, subject to clawback (“Clawback Shares”) with two institutional investors. Clawback meaning that the subscriber would receive the number of shares subscribed for less the amount subscribed for by retail holders under the retail offer. There is no change to the total number of shares to be issued, however, for the purposes of *ASX Listing Rule 7.1*, 78,158 shares of the Clawback Shares are not shortfall and should be characterised as a placement under the Company’s Listing Rule 7.1 capacity and not an issue that satisfies *Listing Rule 7.2 exception 3*.

- The issued capital of the Company following the issue described above will be:
