

eServGlobal Limited (eServGlobal or the “Company”)

Notification under ASX Listing Rule 4.3D

29 March 2019

eServGlobal (LSE: ESG.L & ASX: ESV.AX), a pioneering digital transactions technology company, advises that following finalisation of the audit of the Company's year-end financial statements, a change to the results reported in the Preliminary Final Report lodged with ASX on 28 February 2019 was identified that has been amended in the Audited Statutory Accounts to be lodged today.

The amendment relates to the reclassification of foreign exchange gain from profit or loss to other comprehensive income. The foreign exchange gain of \$1.6 million was classified under “Administration expenses” in the Preliminary Final Report, instead of correct classification under “Other comprehensive income”.

This amendment therefore had an impact on the results reported in the Preliminary Final report of increasing the reported Operating Loss by an amount of \$1.6 million (from the previously reported amount of \$18.1 million to the statutory reported amount of \$19.7 million). There is no impact of this reclassification on the Group’s previously reported net assets balance as at 31 December 2018.
